Old Business

Joe Hawkins and members are working on the little sled. They are looking for 5 bolt – 16” rims for the sled.

There are 8 stumps that need grinding so it will be easier to mow. Gerald Handy will be responsible to have someone complete the grinding.

Jim Handy is finishing a letter and will send it to area events asking for a reply with information of dates, garden tractor and/or big tractor pulls, contact person, etc. so we can finish putting together a schedule.

The grill nose piece part for the Ferguson raffle tractor has been ordered and should arrive this week.

Scholarship. Three applications were received for the scholarship. The one that met the requirements and was chosen to receive the scholarship was David Stander from Weeping Water.

Our contribution to the Cass County Fair will be to Sponsor the Cass Co Fair Tractor Pull. We need to add free admission to the advertising. There will be a hook fee for the pullers and we will keep the hook fees.

New Business

Our Show Grounds sign has been sanded down and is at the painters. It will have the Club Logo painted on it. We need to paint the sign post black before hanging the sign on it.

We need to put together a list of kid events for the show.

Panama Pull on May 28 will use both sleds.

The Murray Pull has been changed to Sunday, July 3 at noon, NOT July 4.
