Old Business

Wendell Simonsen purchased a Cordless Impact Wrench and sockets to be used on the pulling sleds. He brought it to the meeting.

Jess Boller reported that enough 2x6 lumber to frame the office extension was donated.

Donated machinery was discussed. Do we need a policy for donations?

The Tractor Pull in Plattsmouth will be Sunday Sept 11 at 10:00 a.m – Clarence Scholl will prepare the track. Jess will take the Big Sled.

It was voted to purchase a grill for the club. Dean was appointed to purchase the grill.

Our December meeting will be the second Thursday in December at the Weeping Water Museum.

There will be no January meeting and we will resume meetings in February at our regular time.

New Business

Jess Boller mentioned the big dead elm tree needs to be taken out before winter or before it falls.

The outhouse south of the building needs to be taken down and the hole filled, as it is in disrepair.

The Lions Club needs 30 amp for their new food unit. We will be sure there is a 30 amp for next year.

We need members to help build the office extension before the show next year.

Wendell Simonsen moved to adjourn and Jerry Shehan seconded – unanimous.

We will have our October meeting at the Mid-States Showground's during our Fun Pull on Sunday October 2.

Respectfully Submitted
